ABBY CROSS

SELMA SINS

GIGI LOREN

ASH HOLLYWOOD

Although sticky facials and slop tosses across the tits or ass can make for an enticing visual, there is something naughtier, and perhaps a bit more primal, about watching men deliver internal pop shots to their female companions. Perhaps it's the thought of stifling her thunder down under with your liquid love that helps ignite your flames of passion. On the other hand, maybe, it's a man's innate desire to spread his healthy seed in his quest for immortality that makes internal pop shots seem so raw, gritty, and taboo. Whatever the case may be, we can all agree that vaginal cream pies are hot. Whether you're watching young gals being pumped full of goo or you happen to be the lucky fucker exploding your load inside a slice sweet meat, there's nothing better than treating your lady to a frothy finish.

Understanding the primordial fascination and eroticism associated with internal pop shots, director Stoney Curtis has unleashed four well-hung men onto tantalizing teens in *Cream In My Teen 3*, his latest cram session for Lethal Hardcore. Ready to do his part to deliver gooeey gashes, expect slick camera angles, heart pounding hardcore, and plenty of slutty sophomore's that can't wait to be filled up like Bavarian cream puffs. Given an exclusive front row seat, it's time for the royal stuffing to commence!

The day begins bright and early with Abby Cross, a teen sensation that is quickly rising up the ranks due to her spirited fuck sessions. Looking like a wet dream incarnate, Abby immediately silences the room the moment she steps onto set wearing a pink cutoff shirt that exposes her perky tits and a pair of orange panties that are happily wedged up her hairless kitty. "I'm so fucking horny today," she says while twirling her long pigtails.

As the camera follows her bubble butt to the bedroom, she playfully takes her place on her pink bed, instinctively spreading her legs like an obedient slut. Now beginning to strum the pink folds of her young pussy like a guitar pick, she notices Jerry, her babysitting employer, peering at her through the crack in the door.

"Jerry, is that you?" she sheepishly sighs, sticking her pinky finger into her wet mouth and calling him in. Continuing to rub circles around her swollen clit, instead of having the inclination to hide her masturbation session in shame, Abby seems flattered and excited that she's now become the object of Jerry's obsession.

"Well, aren't you going to tuck me in?" she continues, watching Jerry inch his way into the room. Being led toward her tan body by the boner bulge in his pants, there's no use for Jerry to even try to get himself out of this one. He's been found out.

"Abby, is my daughter's bed comfortable enough for you?" he politely questions, taking a seat next to the kinky kitten who is moments away from attacking. Knowing that she must take the lead in this situation, Abby removes her panties and shoves Jerry's head between her legs.

Chugging like a chainsaw, Jerry laps every nook and cranny of Abby's beardless clam. With her young yolk streaming from his mouth like the contents of a soft-boiled egg, Abby's rich gravy continues dribbling from his chin.

Once she's spit shined and sticky, Jerry impales her ultra pink pussy in missionary position, watching her tremendous set of teen titties shake as he pounds her. "I like you so much," he moans, really tearing into her freshly tapped hole with gusto.

Quickly spinning her over into doggie, Jerry implements the smack down on her pussy, using her silky brown pigtails as handlebars. "Cum in my teen hole," Abby eventually screams, as Jerry proudly pumps his princess full of his liquid protein!

Next, we find Billy Glide picking up Selma Sins, a hot Latina in a schoolgirl outfit, on the side of the road. After some minor chitchat during their drive home, the two eventually find themselves in Selma's living room.

"I'm glad you brought me home. I was afraid you were going to kidnap me," she jokes, flipping up the edges of her white, pleated skirt to show off her pink panties to the handsome stranger. Trying his best to maintain his distance and be respectful of the much younger female, Billy is no match against Selma. Using his caution against him, Selma easily controls the situation. Now sitting side-by-side with their legs firmly touching, Selma begins pawing up and down his shorts, reveling in the size and girth of his soda can-sized cock. "Whoa, what are you doing little girl?" he alarms, trying to back his way out of this increasingly sexual situation.

Being a feisty Latina, there's no way Selma is going to let him leave without a fight. Conforming across his lap like a wet towel, Selma begins kissing his neck, lips and ears, while rubbing her steaming hot pocket across his shorts. "I want you," she sighs, licking the rounded mass in his shorts.

Finally unable to resist, Billy arranges her on her hands and knees and uncoils his cock into her mouth. While doing her best

on the action, Gigi proves to be an active participant throughout this entire encounter by giving as hard as she is getting.

After several more minutes of these two putting the 'fun' back in dysfunctional, Will delivers a special parcel containing plenty of freshly whipped baby batter that sexily drips down the curve of her peachy ass like melted candle wax.

Christian ends the day by punishing Ash Hollywood, his stepdaughter, after he finds a box of XL condoms in her bedroom. Trying his best to be an understanding caregiver, Christian asks, "Is your mother aware that you are sexually active?"

As he continues scolding and schooling her about the rules of sexual education, Ash sucks his finger and sighs, "I have a ton of experience. I give better blowjobs than all of my friends." With that, Christian whips out his mega cock and urges Ash to put her money where her mouth is.

Totally game from the start, Ash paints circles around his cock with her cherry red lips. Practically giving herself a tonsillectomy

when ramming his cock to the back of her throat, Ash proves to Christian that she wasn't fucking around. She is one seriously good cocksucker!

Continuing to bareback his spirited mare, Christian rides her hard in a myriad of bangin' positions, including cowgirl, reverse cowgirl and doggie. Ending in a wallop of jizz that billows out of her pussy like the steaming froth from a cup of cappuccino, Christian makes Ash swear that she'll never tell her mom. It's a dirty ending and we love it!

With action this hot and loads this large, fans of internal pop shots ought to receive much value from this extra gooey release. Loaded with tantalizing teens and plenty of creamy clams, it's now your turn to aim, shoot and fire! 🍆

ANNA MARIE RIOS

BRINGING THE LATINA HEAT!

OUTDOOR FUCKING, TOE SUCKING, COCK CHUGGING, CUNT LAPPING
COSTA RICAN BABE DISHES THE PORNO DIRT!

Interview by Emma Edwards

Would you be more inclined to settle down with a man or a woman?

Well, I do like to play with women. I am not going to lie about that. Women are gorgeous, beautiful creatures, and I have enjoyed many of them. Actually, with women, I'm always the girl who is too shy to make the first move. At the end of day, however, I am a bit old fashioned and would want to settle into bed with a man. But, you never know, we might want to have a girlfriend around.

Are you shy around attractive women?

I'm shy in the sense that I am not the type of woman to make the first move. It's different with guys. You can feel them out and sense if they are attracted to you. With women, they are so much better at flirting and playing games that it's hard to judge where they are at in regard to their attraction level for you. With a guy, if you make a move, more than likely, he's going to respond. No guy is really going to turn you down, but that is not necessarily the case with women, and that reality can be harsh.

In that sort of situation, porn makes for the perfect icebreaker. There is no chance of rejection.

In that way, yes, you are right. All of that potential awkwardness is already worked out of the equation. That in itself has been a huge draw for me in joining the adult industry. When I was eighteen, I started feeling attraction toward some of my girlfriends. I remember one time we had a sleep over and I got really cuddly with one girl. There was a vibe there, but none of us did anything about it. I know we both wanted to play, but both neglected to make the first move. Regarding the business, we are both there for the common cause of making a film and for enjoying each other's bodies. Porn has been a great safety net.

How do you seduce the object of your affection?

I believe in giving a lot of eye contact. I also enjoy using my words to seduce my lovers. When I first got into the business, I was very quiet. Now, I love talking and being talked to. When you are working with someone for the first time, you may be kind of nervous. But, by saying sexy things to the person, you help put them at ease. People enjoy hearing how sexy you think they are and how much you want to work with them. It pumps them up and makes them feel more comfortable with you.

Any aspects about the adult industry that you don't favor?

I don't like when one girl makes a bad choice, or does something to gain fame, and that choice happens to reflect negatively on the

industry as a whole. That really bothers me, because if one person does something silly, we all get judged for it. There's constant judgment all the time, no matter what. Unless people knew me before I became Ann Marie Rios, people always see a porn star first. The other wonderful qualities I have become secondary to me being a porn star. It sucks trying to constantly feel as though you need to defend your industry, or defend the people in your industry. But, all of that comes with the territory, so I've learned how to adapt.

Do you enjoy the titillation of fucking in public?

Yes, I have been known to before and on some occasions, if the right opportunity arose. I definitely have a sexy to-do list of crazy things I'd like to accomplish before I'm too old. If the adventure felt right and entertaining, I'd certainly go with it. I don't feel the need to always put on a show because I feel that's what I do all the time.

Ideally, how often would you like to have sex?

I'm not one of those everyday, multiple times a day kind of person. I feel like if you do something all the time, every second, then it becomes less magnificent. I'm also not one of those 'only on special occasions' type of people either. I think there has to be a balance. Sex should be experienced when the feeling is right, and not as a way of living up to some kind of a quota of what everybody else is doing.

We understand that you are a feature dancer, touring America. What would you say is your most crowd-pleasing costume? People seem to really enjoy my matador show. I wear a hat like a bull and this allows me to work with the crowd. I select people to wear my hat, and have them come on stage. They run around with me and try to get my cape. It's a cool show, but the bull never wins. That's always fun.

Sexy Matador? Yes, we'd love to see you performing that routine. What other costumes do you enjoy performing in?

I would say that 80% of my costumes are custom made by a designer. One of my favorites is an old school showgirl costume that has a bunch of feathers, sequins and crystals on it. My girl-scout outfit and routine is always fun. For that, I bring out whipped cream and cookies. There's a genie outfit and a fireman costume, which is also a lot of fun because I do a candle wax show that ends up everywhere. Since I love *Star Wars*, I want to work in a Princess Leia routine into the line-up. I'll start her off in a Storm Trooper costume and then end up in the slave girl outfit. Another costume being shipped to me is a replica of Michael Jackson's outfit from *Thriller*. I once took a cruise and learned how to do the dance for *Thriller*. I want to do something different for the crowd and be original with my shows. I don't want to be like every other girl.

It sounds as though you were born to entertain. So, if you weren't a porn star, what would be your ideal profession?

True, I do love to entertain. But, if I could make up a job, I would be the Fashion Police and give people tickets for wearing horrible fashion. Or, I'd like to be a judge. It would be awesome to be able to help people who find themselves in weird situations.

“I'm totally into the whole foot fetish thing...I find feet sexy and enjoy people nibbling on my toes.”

Are you into instant gratification, or do you prefer delaying your pleasure until you are about to explode?

I'm a chameleon in the sense that I can go back and forth. Some days, you want the whole seduction scene where you use Kama sutra, pour candle wax on each other, and really have fun playing. Other times, you just want to get there. I'm a little of both. I'm not just one or the other.

Which performers do you have the most fun working with?

Dale DaBone, Steven St. Croix are men that I've enjoyed working with. Now, there are so many great guys to choose from, like James Deen and Xander Corvus. As far as girls are concerned, I have to say Selena Rose. She's incredibly sexual. And, actually, I like the blondes with blue eyes because they are opposite of me. Nine out of ten girls in the business these days are gorgeous. It's almost a prerequisite. Most of them are hot, but the best ones for me are the performers who are just as beautiful on the inside as they are on the outside.

STAR

ANN MARIE RIOS

Where do you love being kissed?

I love people to kiss the back of my neck, or my feet. I'm totally into the whole foot fetish thing. I love wearing stockings and heels. I always keep my feet nicely pedicured, 99.9% of the time, with a fresh French-tip painted on them. I find feet sexy and enjoy people nibbling on my toes. And, there are all kinds of nerve endings that run to and from your feet to various erogenous zones around your body. On a physical level, it's extremely pleasurable. Don't knock it until you give it a chance.

Please tell us an interesting fact about yourself.

People would never guess that I have a collection of the new quarters that represent each state. Please don't ask me why I felt the need to do that (*laughs*). I've been meaning to order one of those books that have the empty slots over each state to slip your quarters into. It's so dorky, I know! And, I have a phobia for bees. When I was a kid, I used to go camping a lot with my family. One time, I sat on a bee and it stung me on the butt. I'll never forget that. Now, I can't be around bees. They freak me out.

We really enjoyed your work in *Escaladies 1 & 2*. How did it feel to be apart of an all Latino cast?

I had a lot of fun during the filming of those movies. Digital Playground is a great company to work for; there scripts are very well written, and they put a lot of thought into their productions. Honestly, I think it's about time we had this type of movie for the Latin community. When I first got into the business, there were about four Latinas. Every time a company would put a Latin movie together, we'd all get booked for the job. Since they didn't have enough Latinas, I remember one company even hired Nikita Denise, who is Czech! I think this project is going to do really well for Digital Playground. The Latin community will certainly enjoy having their own culture represented in these movies. I hope they continue with a third episode.

Regarding your scenes in *Escaladies*, which stood out?

The entire movie stood out! It was the first time I had ever met Selena Rose. She is quite a fun and sexy person to be around. We had a great time working together, although we were never able to have sex in the movie since we play the role of sisters.

In today's porn landscape, there seems to be many more Latin performers, such as Kristina Rose, Yurizan Beltran, and Selena Rose. How do you feel about that switch away from stereotypical blondes with big boobs?

One hang up is that most Latinas in the business are not bi-lingual and do not speak Spanish. So, that poses an issues, although I'm sure companies can work around it.

What specific type of heat do Latina porn stars bring to the table?

They bring this feisty, spiciness that comes only with the Latin heritage. Also, we can speak naughty things in Spanish, which is quite erotic. Even if people have no idea what you're saying, it still sounds exciting and naughty. I truly embrace my Costa Rican heritage. Being a Latina is awesome! 🍌

RILEY REID

These Boots Were Made For Fucking

TART OF THE MONTH

33116

Riley is the type of dame who doesn't ever dress down. For her "casual Friday" entails forgoing the garters and instead selecting boots that go all the way up. She scoffs at jeans, t-shirts and the overall concept of "slumming it," choosing instead to always take the time to doll herself up. Even when it comes to her most private toys she goes for glitz—preferring her prosthetic peckers to sport a little sparkle. After all, a girl's gotta do whatever it takes to make herself feel good and for Riley feelin' fine means frolicking about in finery and fucking her gash with fancy gadgets. Nothing makes her hole happier than to have a super swanky wand worked way up inside. She rocks it back and forth and back again until she climaxes with a cry. Then she puts back on her silks and her ribbons and her lace until the time cums to do it again. 🍷

PORNSTARS IN THE MAKING 2 ⚡⚡⚡⚡

(Vince Voyer Unleashed) Starring: Allie Haze, Lexi Belle, Grazil Glam, Jessie Andrews, Chastity Lynn, Tanner Mayes, London Keyes, Emma Mae, Melanie Rios, Valerie Rios.

Offering a compilation project that is choke full of monumental encounters that helped turn ten starlets in porn superstars, director Vince Voyer offers his audience the best of the best. Having cherry picked some of his favorite scenes, here's another look at some of the most prestigious *Pornstars in the Making*. Allie Haze and Erik Everhard explode into hardcore action in the first scene when Allie chokes herself on his chicken. Later, he stabs her slit in doggie and mish before gracing her face with gravy. Next, Gracie Glam proves she's at the top of her class when she devours her classmates, Mark Zane, Rob Banks and Chris Strokes. After delivering a communal blowjob, each well-hung stud has their way with this studious slut, leaving her a dripping wet mess when they're done. In another noteworthy scene, Lexi Belle has her way with Chris Strokes and Joe Blow. Bending and twisting for her trusty pair of peckers, Lexi looks incredible when hunched over in doggie to accept Chris's jock while blowing Joe's cock. Also shining brightly, Jessie Andrews delivers a knockout scene when she mixes middles with Chris Strokes. Still a bit sexually awkward and fresh, it's awesome watching her experience this level of fucking for the first time. With six more scenes left to jerk off to, what more could a porn lover ask for?

BLACK OWNED 4 ⚡⚡⚡⚡

(Jules Jordan) Starring: Brooklyn Lee, Kagney Linn Karter, Anikka Albrite, Ariel Rose, Priya Rai.

Large and in charge, black stallions are out on the prowl! Perfectly capturing the hunt, director Jules Jordan makes every effort to impress as he creates a memorable porn experience. With five celebrated starlets and plenty of dramatic drilling, this interracial release is clearly the best of the best! Kagney Linn Karter, a naughty nurse, begins by nurturing Lexington's steel back to health. After delivering the most skillful bout of mouth-to-cock resuscitation imaginable, Kagney goes on to cure his meat with her pretty pink. From here, Brooklyn Lee is broken in with her first chocolate cock when Mandingo stuffs her full of his black mambo. After some vaginal play that butters up her muffin, Brooklyn packs her fanny with his fudge bar. With salacious results, Brooklyn proves that once you go black, you never go back! Afterwards, Jules Jordan's captures Priya Rai's ass in full bounce. Later, she's joined by Mr. Marcus who spreads her legs into the splits before unleashing his black fury. Practically begging for Lexington's bone, Anikka Albrite is the perfect cock pet in the next scene. Delivering one of the most memorable encounters of the production, it's awesome watching the ultimate blonde mix with the ultimate black. In the end, Ariel Rose, an Asian schoolgirl, is stretched out by Mr. Marcus when he stakes his cock into her pussy and claims her as *Black Owned*!

AIDEN RILEY'S SNAIL TRAILS ⚡⚡⚡

(Belladonna Entertainment/Deadly Nightshade) Starring: Kristina Rose, Chastity Lynn, Maddy O'Reilly, Cassandra Nix, Chanel Preston, Dana DeArmond, Kelly Surfer, Karina White.

What happens when you stuff impeccable pussies with gloppy lube and watch it queef out of gaping holes? One helluva lesbian porn flick, that's what! Spread across two disks, four female pairings create the ultimate spread session by slathering up to create a sticky mess that will leave you nice 'n wet! Kristina Rose and Chastity Lynn begin the show by injecting their pussies with gobs of grease. After making each other cum through use of hot oral action, they stuff each other silly with slick toys before unleashing their trailing slit slime. Also slathered in vaginal viscous, Maddy O'Reilly and Cassandra Nix are incredibly matched as we watch them kiss and cuddle. After plenty of body worshiping ensues, they intertwine their legs, creating a gooey snail trail that fuses their clits together like glue. Next, in one of the strongest scenes of the production, Chanel Preston and Dana DeArmond bend each other over backwards in an effort to get the most mileage out of their syrupy slits. Once the toys come out, expect plenty of sauce to simmer from their spicy, soft tacos. Kelly Surfer and Karina White end the show with some backdoor bliss that leaves both bitches dripping and us coated with their liquid love.

SECRETARY'S DAY 6 ⚡⚡⚡⚡

(Smash Pictures) Starring: Dani Daniels, Charlee Monroe, Christie Stevens, Jessa Rhodes, Avril Hall.

It is no secret that there is sexual tension bubbling over in virtually every office in America. Luckily, for us, director Jim Powers has devised an excellent way of merging sex in the workplace in the sixth installment to his popular series. The movie begins with Charlee Monroe spying on Richie Calhoun while he jerks off in his office. Unable to contain herself, she later joins him by bouncing atop his dick in cowgirl position but oddly never samples the good with her mouth. From here, Toni Ribas imagines having a sexual relationship with his hot co-worker, Dani Daniels. Soon, he's devouring her juice box and is ramming her hard in mish, resulting in one squirt blast after another. Next, we find Christie Mack, a dutiful sex-retary, consoling Mick Blue after an argument with his wife. In an effort to turn his frown upside down, she allows him his hole of choice, resulting in her first on-screen anal reaming! Hot! Afterwards, we watch Avril Hall making several work errors after being dumped by her boyfriend. Understanding that the best way to get over somebody is to get under somebody else, Billy Hart steps in to pleasure her steaming clam. In the end, Johnny Castle reprimands Jessa Rhodes for participating in a live web show in her office by delivering a very STIFF punishment!

MIRA & SAMIA

Completely Fulfilled

Whenever a girl wants to try something new and naughty, it helps to have a trusted companion on hand to help. Samia had always wanted to be DP'd, but the thought of being tossed around by two dudes seemed, well, sort of icky. So instead she called upon her lez buddy Mira to help. Once Samia outlined her awesome objective, Mira knew just what to do. She prepped her pal's pussy with some luxurious licks before lapping all the way back to her asshole. After nervous Samia had an orgasm from the soft swipes of Mira's tongue, she reciprocated by chowing down on her chum's box before the deep double dicking began. When both girls were as wet as they could get it was time for Samia to be impaled on a duo of dildos. She was so soggy that both pricks slipped right in and for the first time she felt hole-ly fulfilled. 🍒

GINGER

Deep Reflection

Ginger has a secret: she's super duper shy and for that very reason doesn't have any luck when it comes to having a relationship with a guy. So she's taught herself ways to cope with her lack of lovin' that leave her so *cumpletely* content that she never pines away for a penis to play with. First she shimmies out of her clothes and runs her hands all over her bitchin' body. The feel of her tits sitting round and heavy in her hands and her pussy lips parted all silky and warm always work to get her juices flowing. Next she slides a toy deep inside her box and uses it to stir things up a bit. She rides this rod until she's awash in orgasmic waves that curl all ten of her toes tight. After some deep thinking, a glowing Ginger delights in the fact that she doesn't need a dude at all to do her right. 🍆

INDIA SUMMER

Getting What She Wants

Lovely, angel-faced India wanted her co-worker in the worst way. Every day she dressed more and more suggestively in the hopes of catching his eye. One day, after learning he had a something of a foot fetish, she lured him into her office at lunchtime and showed him her little manicured toesies. She went down his rigid cock and promised him the hottest hole he'd ever been in. It was everything India had been hoping for—after tonguing her clit Kenneth spread her legs wide and crammed himself so far inside her that she came right as he was completing his first thrust. Now greased with her goo, Kenneth proceeded to plow her in different positions until India came for a second time. Then he pulled out and frosted her feet, giving her a penis pedicure. 🍆
